Good luck with that :)

Any time is as good as any other with all this "other" stuff going on.

Sorry, busy with you know what. If you want a CIC, I think that's a good idea. I can talk to Helen this morning -- not sure just anyone will do. We can talk later.

I was wondering if he called you through the RRC or directly as you were the duty officer last week. How did he get your number?

Thanks!

I am still waiting to hear back from Rich with some details of the call. I was wondering with all the HQ issues - should a CIC call and get info?
